### Jesus My King

By Scott Putnam

**v.1** I just want to thank You – for all that You’ve done.  
I was falling apart, lost in the dark, I felt so alone.  
Lord, I just want to praise You, - cause now I can say  
I’m freed from my sins, Alleluia Amen, I’ve been covered by Grace

**Chorus** You are my shelter in this world full of pain.  
You are my Fortress, You never change.  
The Rock of Salvation, my Hope, and my Strength  
You are my Life, You are my All, You are my Everything!  
(Jesus my King !!!) x2

**v.2** I know I’m not perfect, – I don’t claim to be.  
But I’ll never stop tryin’, never stop fighting; You died for me.  
Lord, I just want to love You, – the way You love me.  
You showed me the way, when You took my place, at Calvary.

**Chorus** You are my shelter in this world full of pain.  
You are my Fortress, You never change.  
The Rock of Salvation, my Hope, and my Strength  
You are my Life, You are my All, You are my Everything!  
(Jesus my King !!!) x2 / 3 - last time through
